Dear Dr. Kenneth K. Kim,

We would like to express our deep appreciation for your recent contribution to the 47th Annual Korean American Medical Association (KAMA) Scientific Convention in Los Angeles.

This year's scientific program featured many outstanding speakers and experts from diverse backgrounds and specialties, and your valuable participation was what brought this convention alive and led to an exceptionally engaging platform for important discussions and education.

Thanks to you, we received uniformly positive feedback from both long-time and new members of KAMA, as well as senior faculty and junior trainees. On behalf of President Michelle Kim and the KAMA Executive Committee, we sincerely thank you for your time and contribution.

Your unwavering support and commitment to our program and to KAMA were pivotal in making our convention a resounding success. We hope you enjoyed your time in Los Angeles and connecting with the other members of our Korean American medical community. We have attached a list of convention participants' email contact for reference for potential future connections. We sincerely hope you will continue to support KAMA for years to come.

Wishing you and your loved ones a healthy and joyful holiday season.

Sincerely,

Yoon S. Chun, M.D.
